End of Summer!!!

Hunting Safety:

- Look out for other hunters in the same area as you
- Use caution when operating ATV/UTVs, steep/uneven terrain can lead to rollovers!
- Check the weather for where you're going and the times you will be there
- Pack plenty of water; stay hydrated!
- Hunt with a friend
- Tell others your plan before you go
- If it seems dumb, dangerous, or different, don't do it!
- Utilize Check 3 GPS:
 - The right gear
 - The right plan
 - The right skills
- Watch out for fall hazards
- Stay out of private property

**HUNTER
SAFETY**

BACK TO SCHOOL IN ALASKA

BACK TO SCHOOL:

- Always maintain your situational awareness, especially in school zones
- Obey the posted speed limits
- Yield to pedestrians and teach your kids how to use crosswalks
- Keep a look out for the school buses; they stop frequently
- Remember! Helmets are required for all kids biking and/or skateboarding to school
- Invest in reflective materials so kids can be seen by drivers and hours of darkness
- Utilize road guards when possible
- Distracted driving can end in disaster; eyes on the road
- Prepare for densely packed school zones
- BE PATIENT
